RALLY

Once per session, describe how you rally the party and give yourself and each of your allies a Rally Die. At level 1, your Rally Die is a **d6**. A PC can spend their Rally Die to roll it, adding the result to their action roll, reaction roll, damage roll, or to clear a number of Stress equal to the result. At the end of each session, clear all unspent Rally Dice.

At level 5, your Rally Die increases to a **d8**.

CLASS FEATURE

BEASTFORM

Mark a Stress to magically transform into a creature of your tier or lower from the Beastform list. You can drop out of this form at any time. While transformed, you can't use weapons or cast spells from domain cards, but you can still use other features or abilities you have access to. Spells you cast before you transform stay active and last for their normal duration, and you can talk and communicate as normal. Additionally, you gain the Beastform's features, add their Evasion bonus to your Evasion, and use the trait specified in their statistics for your attack. While you're in a Beastform, your armor becomes part of your body and you mark Armor Slots as usual; when you drop out of a Beastform, those marked Armor Slots remain marked. If you mark your last Hit Point, you automatically drop out of this form.

WILDTOUCH

You can perform harmless, subtle effects that involve nature—such as causing a flower to rapidly grow, summoning a slight gust of wind, or starting a campfire—at will.

CLASS FEATURE

Once per long rest, you can become *Unstoppable*. You gain an Unstoppable Die. At level 1, your Unstoppable Die is a **d4**. Place it on this sheet in the space provided, starting with the 1 value facing up. After you make a damage roll that deals 1 or more Hit Points to a target, increase the Unstoppable Die value by one. When the die's value would exceed its maximum value or when the scene ends, remove the die and drop out of *Unstoppable*. At level 5, your Unstoppable Die increases to a **d6**.

- You reduce the severity of physical damage by one threshold (Severe to Major, Major to Minor, Minor to None).
- You add the current value of the Unstoppable Die to your damage roll.
- You can't be *Restrained* or *Vulnerable*.

- They can't move from where they are.
- You deal damage to them equal to your primary weapon's damage.
- You move with them.
